Dear Friends,

As Attorney General of the State of Illinois, I want to welcome all those in attendance to the Fifth Annual Piyesta Pinoy Chicago.

The Filipino community is a vibrant and important part of Chicago and Illinois, and its wonderful culture, including music, dance, food and folk art, will be enjoyed by thousands during this popular annual festival.

My sincere thanks go to the Philippine American Culture Foundation, the Philippine Consulate General and the many other volunteers who make it possible to share the incredible Filipino culture with the rest of our World-Class city. Here's to another successful and enjoyable Piyesta Pinoy Chicago.

Very truly yours,
