In this gritty, hard-knock drama, teenagers Jane and Aries run with a group of street kids who navigate the chaos of Manila working as pickpockets and petty thieves. The young couple's lives take a radical turn when they become teenage parents. Desperate to care for her newborn, Jane falls prey to a cross-dressing conman, who kidnaps and then sells their child. With nothing left to lose, the two resort to desperate measures to reunite their family. *Tagalog with subtitles. 107 min.*
